

# PETER DRAPER

INDEPENDENT MEMBER FOR TAMWORTH

## MEDIA RELEASE

### Media Alert

*June 9 2004*

The **Niangala Public School** will be able to install a hot water system this winter thanks to a \$3000 cheque from the **Dungowan Lions Club**.

Students have had to put up with washing their hands in icy cold water in the school's amenities block due to reluctance on the State Government's behalf to provide funding.

The Dungowan Lions' Club stepped in to offer assistance and after a concerted effort has been successful in raising \$3000 for a new hot water system.

Member for Tamworth and Dungowan Lions Club member Peter Draper and president Peter Blom will present the cheque to Niangala School Principal Debbie Douglas **today at 11am** on the steps of the **Tamworth Town Hall**.

A group of Niangala Public School students will also be on hand to express their gratitude to the Dungowan Lions Club.

**Media are invited to attend for interview and photo opportunities.**
