Capital Assistance Program

30th July 2003

Independent Member for Tamworth Peter Draper has encouraged local sporting groups and organisations to apply for NSW Government funding to improve sporting facilities across the Electorate of Tamworth.

The Capital Assistance Program offers a subsidy of up to 50 per cent for capital works to be carried out by local government or other groups that benefit the sporting community.

“This program offers a subsidy of up to 50% on capital works costs for local government and not-for-profit sporting and recreational organisations and will help to improve our sporting facilities for everyone in the electorate,” Mr Draper said.

“The money could be used to build new sporting facilities or simply upgrade existing facilities. I would encourage all sporting groups and organisations to consider applying for this funding.”

“We have a large number of sporting groups and organisations within the electorate that deserve to be recognised by the NSW Government through this program.”

Applications for the Capital Assistance Program close on 15th August 2003.

Anyone wishing to apply for funding through the program should contact the NSW Department of Sport and Recreation on 6766 1200 or at www.dsr.nsw.gov.au
