MEDIA RELEASE

Werris Creek Public School Visit

28th July 2003

Independent Member for Tamworth Peter Draper has met with students and teachers at Werris Creek Public School during a visit to Werris Creek.

Mr Draper met with Principal Ian Lobsey before speaking at a school assembly and presenting a number of special awards to students.

Mr Draper presented the school with a NSW flag and a book detailing the history of politics in NSW.

"It is encouraging to see such talented and happy students at one of the smallest schools in our electorate. Here we have a prime example of the public education system working to provide a better future for our students," Mr Draper said.

"It was a real joy to meet with students and teachers at Werris Creek Public School. It is a credit to teachers and parents that they have developed a successful learning environment for students."

"I thank Principal Ian Lobsey for the opportunity to visit the school and speak with students. I look forward to travelling to all schools across the electorate to meet with students and teachers."

A photo of Mr Draper's visit to Werris Creek Public School will be made available to the media.
